

Telephone System Being Replaced At Hospital

The phone system is being replaced this month at both the Alexandria Marine and General Hospital (AMGH) and at Community Psychiatric Services.

The main phone system being replaced is well over 25 years old. The updated phone system is planned to go live on April 28th, 2015.

The configuration of the new system will see many of the phone extensions change on April 28th.

The main Hospital numbers are unchanged. Please continue to use 519-524-8323 or 519-524-8689.

Below are some key extensions that will be in place as of April 28, 2015:
